

Technical drawings of the QUL 1000 Me machine showing front, side, and top views with dimensions.

Front View (Top Left): Shows the machine's front profile. Dimensions include a total height of 620 mm, a main body height of 387 mm, a width of 478 mm, and a top section width of 158 mm. A curved exhaust pipe is visible on the right side.

Side View (Top Right): Shows the machine's side profile. Dimensions include a total height of 110 mm for the lower section and a width of 483 mm. A power cord is shown plugged into the side.

Top View (Bottom): Shows the machine's top profile. Dimensions include a total width of 477 mm, a main body width of 320 mm, a side section width of 157 mm, a total depth of 464 mm, a main body depth of 273 mm, a circular component diameter of 74 mm, a distance of 83 mm from the side, a distance of 115 mm from the top edge, a distance of 180.1 mm from the bottom edge, and a total depth of 331 mm. A circular component with a grid pattern is visible on the top surface.
